Ladies and Gentlemen:

Since the Russian invasion of Ukraine, hundreds of thousands of Ukrainian children have been robbed of their childhood by the ongoing war in their homeland. Many have been killed. Many lost their arms or legs.

The Soul of Ukraine, an International Charitable Foundation, has begun construction of the Mother Teresa Rehabilitation Center in Albania for Ukrainian children who have survived but lost limbs in this war.

We are asking you to help give back to these children the ability to walk, hold hands, hug a friend, and experiences they have otherwise lost forever.

We cannot thank you enough.

With our respect,

Lapus
